- Do not use different products other than water for cleaning the parquet or resin floors
- Do not leave the oven on after using it
- Do not let Your puppy spoil the garden with holes or ruin the plants
- Do not leave excrements on the lawn
- Do not leave the garage door open at night
- Do not leave the insect screens open, both for doors and windows

### INDOOR SWIMMING POOL

- Do not bathe if you have body oils on you (the pool’s water isn’t purified chemically but naturally)
- Do not leave the indoor swimming pool door open
- Do not run on poolside
- Do not leave children unattended in the swimming pool
- Do not allow animals to bathe in the swimming pool

### OUTDOOR SWIMMING POOL

- Do not bathe if you have body oils on you
- Do not allow animals to bathe in the swimming pool
- Do not run on pool side
- Do not use shampoo or foam bath in the outdoor shower
- Do not leave children unattended in the swimming pool
- In the swimming pool shower let the water run before using it

### CLEANING AND MAINTENANCE HOURS FOR VEGETABLE GARDEN, GARDEN AND SWIMMING POOLS

The cleaning service of the house includes a housekeeper for half a day of work from Monday to Saturday with time to be agreed (9.30 am – 1:30 pm)

In addition to house cleaning, the service includes laundry washing for changing bed sheets and towels (once a week), grocery shopping and preparing lunch.

Is possible to swap lunch with dinner, which can be prepared and left in the refrigerator.
